Dear Sirs

Catalogue for May 3 & 4 Sale received, many thanks for same. I see in Lot 741 a number of shilling tokens quoted. I am desirous of purchasing Bristol, Somersetshire & Hereford tokens of all kinds, have you some in stock, also Gloucester? Your letter of March 16 duly to hand. Must thank you for your confidence in my integrity. I am afraid at present I could not spare more than two (2) dollars per month. I should very much like all three publications but do not feel like asking too much of you. If you felt you would not be justified in shipping me all at once, I would suggest your sending me Stevenson's Dict: and letting me pay for that first. I have the good fortune to number a Greek professor amongst my friends & he loans me his "Head" and "Gardner" at times. I enclose a clipping from our paper that may be of a little interest to you. The Van Buren medal was brought to me for identification & value, the

latter I was unable to do, as I really pay very little attention to medals. It may be described as Ob – Martin Van Buren Bust. Ins: Martin Van Buren President of the United States. In exergue A.D. 1837.
Rx Tomahawk & Pipe crossed and clasped hands Ins. Peace and Friendship. It is size 48, Bronze, silvered, by "FÜRST F." Could you enlighten me as to value. Mr Wilson paid $20.00 for it in very good condition. How about the others mentioned? are they worth my going amongst the Indians to secure them? I refer to the Jefferson & Washington medals mentioned in clipping enclosed. It is not in my line, but I fancy there is a great over valuation as usual. Prefer the Greek & Roman series myself. Kindly note my change of address at head of letter. With kindest regards to the "bretheren that are at Philadelphia"

Believe me

Sincerely Yours

Arthur W. Westhorp.

S.H.& H.Chapman,

Dear Sirs:-I hereby inclose P.O.O.for $6.71 to balance my account with you,which I fear has been allowed to run too long,owing chiefly to my putting in the busiest summer I have ever known.I have not had time to open a cabinet since last spring,which shows how I have been kept at it.

In closing our little account I wish to thank you for courtesies extended and to assure you of my appreciation.You need not send me any catalogues of sales again until I notify you,as I intend to drop out for six months or so.

Hoping to hear great things of old Pennsylvania the coming election(Just watch us for"Teddy")

Yours Truly

Dear Sirs

Your recent cat' at hand. Am very pleased at your innovation of market guide prices. Will be of great benefit to buyer and seller both & I regret I cannot plunge a little at this time, as I would like too. I very much want Lot 123. Only quotation I can find is one of $1.10 in your Nov 16-17 sale of 1700. Will raise this 50 Cents to get it, if you will accept a bid in that way

Should this bid not be successful, I would like you to give me a quotation from stock if you have any Charlemagne coins on hand &

I also want some smaller currency of William II of Germany, if you care to bother with a small order of this kind.
